

Kaw Nation Environmental Department

Questionnaire for Environmental Concerns

The Kaw Nation Environmental Department is conducting a survey of the environmental concerns of Kaw Tribal members. If you are a registered member of the tribe, your participation in this survey is strongly encouraged. Your feedback can improve the quality of services offered by the KNED and can increase the likelihood of federal funding for specific projects. Please take a moment and complete this short online form. If you have any questions about this survey or other environmental issues please call (580) 269-2552.
