It's the Luckiest Casino in Oklahoma

Newkirk, Oklahoma 2/24/12 – That's what the locals of the Kaw Nation SouthWind Casino in Newkirk, Oklahoma are saying after Wednesday's big win.

An Oklahoma man won \$1.88 Million on a StarWars wide- area progressive jackpot Wednesday afternoon.

Carol Clark, Players Club Supervisor and one of the first witnesses to the Jackpot, said it was quite the event to watch.

"The Machine went totally silent. No bells. No whistles. He looked pale. I watched one of our floor managers receive the news from him, and she went pale too," exclaimed Clark.

While the lucky winner prefers to remain anonymous, his enormous winnings are the talk of the casino, city and entire county.

General Manager, Pam Shaw has been in the casino industry for more than 9 years. Shaw said this is the largest jackpot of this type that she's ever seen.

"I don't know if I'm more excited or nervous, but this is such an amazing win. We are proud that we are able to be a part of this life-changing celebration," said Shaw.

The Kaw Nation SouthWind Casino has been in part of this community for more than 27 years offering more than 600 electronic gaming machines, table games, pari-mutuel betting, high-stakes bingo, a full service and café.
