

Dear Kaw Tribal Citizens:

My name is Dan Chouteau. I would be honored to serve as the Tribal Seat 2 for Kaw Nation. I am the great-grandson of full blood, Levi A. Chouteau. I am currently serving and a proud member of the Housing Board Committee and the Grant Review Committee. I have been employed for eleven years with Otoe Missouria Tribe and currently hold the position of Administrative Operations as a Manager. I have also served as a Reserve Deputy for the Kay County Sheriff's Office.

Long ago, we were the leaders of the vision for expansion for the economy in our area and beyond. As the citizens of Kaw Nation, we should continue to strive to increase innovation, creativity and productive work to enhance the overall quality of life for youth to elders. We must take the ideas of our citizens and turn them into a reality, while preserving the culture and traditions of our great Nation. The people are the backbone of all we do as a nation, from government operations to health care and tribally owned businesses.

I'm looking forward to representing the People of the Kaw Nation. I will run a positive campaign, as I will display integrity and honesty in all my interactions and treat all that I encounter with the utmost respect. I am confident that my skills and experience can be of direct benefit to our people and for a better future. Let's work together to make it an even better community.

When elected, I will stand for:

- Social service expansions for our elders and youth
- Economic development
- Improve employee benefits
- Constitution reform
- Safeguard our culture preservation and language programs
- Higher education assistance for Life Skills
- Transparency
- Increase technology innovation

I respectfully ask for your support and vote Sunday, September 13th.

Dan Chouteau
